MANAGEMENT AND UTILISATION OF THE MEGHALAYA MINOR MINERAL
RECLAMATION FUND

3. Credit of money to the fund.– (1) Each lessee shall credit to the fund the environmental reclamation fee for minor minerals extracted in the State at the rates as may be specified by the Government by a notification issued with reference to Rule 31 of the Meghalaya Minor Minerals Concession Rules, 2016.

(2) There shall also be credited to the fund:—

- (a) *grants-in-aid* received by the Government, if any, into the Fund;
- (b) interest accrued on investment of the fund.

4. Monitoring of credit of environmental reclamation fee to the fund. - (1) Each authority in the Government authorised to permit transportation or in-situ use of minor minerals in the State shall ensure that transportation or in-situ use of a minor mineral is not permitted unless environmental reclamation fee payable for such minor mineral is credited to the fund.

(2) Details of environmental reclamation fee payable to the fund during a month on quantities of minor minerals whose transportation or in-situ use is permitted during such month shall be provided to the Chief Executive Officer by each such authority in the Government authorised to permit transportation or in-situ use of minor minerals, on or before tenth day of the following month.

(2) On or before tenth day of each month the Authority shall reconcile the environmental reclamation fee payable to the fund on quantities of minor minerals whose transportation or in-situ use was permitted during the previous month as per statements received from each authority authorised to permit transportation or in-situ use of minor minerals in the State and the environmental reclamation fee actually credited to the fund during the previous month and take actions to recover the environmental reclamation fee payable to the fund in each case where environmental reclamation fee payable to the fund has not been credited to the fund or the environmental reclamation fee credited to the fund is less than the amount payable to the fund.

5. Management of the fund.– (1) The Chief Executive Officer shall be responsible for management and safe custody of the fund.

(2) The Chief Executive Officer shall maintain a full record of each credit to and withdrawal from the fund.

(3) The funds shall be operated by the Chief Executive Officer or any other officer of the Authority empowered by the governing body in this behalf, subject to the approval of the Government.

- (4) All Monies credited to the fund shall be received in one interest bearing accounts in a nationalized bank to be opened in the name of the Fund and CEO of the Authority shall be the authorized signatory for operating the said account of the Fund.
- (5) Investment of the monies credited to the fund may be made by the Authority as per paragraph 7 of these guideline.
- (6) Separate accounts statement shall be maintained for environmental reclamation fee and each *grant-in-aid* received or made to the fund.
- (7) The Chief Executive Officer shall maintain a register containing details of the bank account of the Fund.

6. Investment of surplus money.- (1) At the beginning of each year the Chief Executive Officer, keeping in view the unspent balance available in the fund at the beginning of the year, estimated fresh accrual to the fund during each month, estimated monthly accrual to the fund due to maturity of past investments and estimated monthly expenditure from the fund, assess the estimated amount of surplus money likely to remain available in the fund at the beginning of each month and prepare a tentative plan for investment of such surplus money in Government Bonds, Government Securities and nationalized banks and place the same before the governing body for approval.

- (2) Investment of surplus money in nationalized banks as approved by the governing body shall be made in the following manner, namely-
 - (a) A notice inviting sealed bids clearly stating therein the of amount of surplus money and the period for which such money is proposed to be invested shall be sent to each nationalized bank having a branch in Shillong at-least fifteen days before the last date for receipt of the bids. In case a nationalized bank has more than one branch in the Shillong, notice inviting bids shall be sent to only one branch of such bank as may be decided by the Chief Executive Officer.
 - (b) A copy of the notice inviting bids shall be placed on websites of the Authority and the Forests and Environment Department at least fifteen days prior to the last date for receipt of the bids.
 - (c) Subject to clause (d), money shall be invested in a nationalized bank which offers the highest rate of interest. In case more than one nationalized banks offer equal highest rate of interest, the money to be invested shall be equally divided among all such banks; and
 - (d) At any point in time not more than twenty percent of the total surplus money of the fund shall be invested in any one nationalized bank.

7. Utilization of environmental reclamation fee and interest accrued thereon.-

- (1) The environment reclamation fee and the interest accrued thereon may be utilised for the following purposes, namely:-
